Dear Victoria:

Thank you for your recent letter and accepting to be a faculty member of the 8th Annual Dialogues in Cosmetic Dermatology at the LeMeridien San Diego in Coronado, California, October 27-31, 1993.

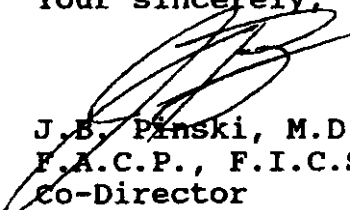

We are delighted that you will join us and present your Camouflage Therapy workshop on Saturday, October 30, 1993 from 8:30-11:30 AM. I know that this will be extremely well received and most useful to the participants.

Being aware of your distinguished ability, I also would like to invite you to speak on Friday, October 29, 1993 at 11:15 AM at our Dialogues Section joining Zoe Draelos, M.D. and Howard Maibach, M.D. discussing Cosmetics in the Post Surgical Patient. I think the three of you will work very well together and make for an excellent session.

Please feel free to contact me if you have any questions. We are excited about having you join us.

With best wishes, I remain

Your sincerely,

J. B. Pinski, M.D.,
