Dear Victoria:

On behalf of **the** whole faculty of Oral and Maxillofacial Surgery I would like to thank you most sincerely for your excellent talk on October 13th and your subsequently taking an interest in our Orthognathic Surgery Clinic. We have now received the additional information that you have sent us and hope to refer patients to you as and when the need arises. You would of course be more than welcome at any time at our Orthognathic Surgery meetings on Thursdays at 12:00 in room C-750. I look forward to working with you in the future.

Sincerely yours,
