RE: MINIMALLY INVASIVE TECHNIQUES FOR FACIAL  
REJUVENATION  
October 17-20, 1996  
M64 104

Dear Ms. Rayner:

This is a brief note to express our appreciation on behalf of the Course Directors for your participation in *the Minimally Invasive Techniques for Facial Rejuvenation*. We gratefully acknowledge the time and effort of your commitment. You contributed in an important way to the success of the program, and we thank you for an extremely stimulating and informative presentation.

Sincerely,

Corey S. Maas, M.D.  
Program Director

CSM:hc

Victoria -

I would like to put together a 1/2 day parallel program for nurses, estheticians and/or MD's on. concealment, light peels, pigment treatments etc. You may want to moderate this session & think we should invite 4-5 speakers - (local there will be no \$ to fly people in a par for stay)
